# Introduction

Dear Sir / Madam,

In the year 2022 you can further strengthen the competence and safety of your employees in handling our machines & plants with our training programs. In small groups, our experienced trainers teach important topics such as hydraulics, electricals, sensor technology, economical working, safety at work & maintenance. Your employees can apply the practical tips directly in their daily work and thus work more efficiently and safely. Individual training programs can be held in our production plants in Irungattukottai near Chennai or GMH (Cheyyar) or directly at your premises.

You can reach us at +91 91766 06120 or by sending an e-mail at [training@schwingstetterindia.com](mailto:training@schwingstetterindia.com)

We are happy to help!

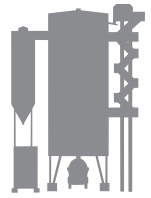

Best regards,  
SCHWING Stetter India Training Team.
